

Cradle Mountain Lake St Clair National Park: An Epic Hiking Adventure

Cradle Mountain Lake St Clair National Park is a wilderness paradise located in the heart of Tasmania, Australia. The park is home to some of the most stunning scenery in the country, including towering mountains, pristine lakes, and ancient rainforests. It is also home to a variety of wildlife, including wombats, wallabies, and platypuses.

The park is a popular destination for hikers, and there are a number of different trails to choose from, ranging from easy day walks to multi-day treks. The most popular hike in the park is the Overland Track, which is a 65-kilometer (40-mile) trail that takes hikers through the heart of the park. The Overland Track is a challenging hike, but it is also an incredibly rewarding one, and it is one of the best ways to experience the beauty of Cradle Mountain Lake St Clair National Park.
