

Didn't Say to Make My Abilities Average in the Next Life: A Light Novel Review

Didn't Say to Make My Abilities Average in the Next Life is a light novel series written by FUNA and illustrated by Moto Shigemura. The series follows Mile, a young girl who is reincarnated into a fantasy world with overpowered abilities. Despite her initial excitement, Mile quickly realizes that her abilities are too strong and make it difficult for her to live a normal life. As she struggles to control her powers, Mile must also navigate the challenges of a new world and the expectations of those around her.

Plot

The story begins with Mile being reincarnated into a fantasy world as the daughter of the Duke of Amidonia. She is given the name Adele von Ascham and is raised as a noblewoman. However, Mile quickly discovers that she has inherited her mother's overpowered abilities, which include super strength, speed, and intelligence. At first, Mile is excited about her

new abilities, but she soon realizes that they make it difficult for her to live a normal life.

Mile's abilities make her an outcast among her peers. She is unable to control her strength and often accidentally destroys things. Her intelligence also makes her bored with the lessons she is taught at school. As a result, Mile begins to withdraw from society and spends most of her time alone.

One day, Mile meets Pauline, a young girl who is also an outcast. Pauline is a skilled archer, but she is often bullied by the other students. Mile and Pauline quickly become friends, and Mile agrees to help Pauline train for an upcoming archery tournament. As they train together, Mile begins to learn how to control her powers and use them for good.

The archery tournament is a major event in the kingdom, and Mile and Pauline are both determined to win. However, the tournament is not without its challenges. Mile must face off against some of the most skilled archers in the kingdom, and she must also overcome her own fears and insecurities. In the end, Mile and Pauline both manage to win the tournament, and Mile is finally able to accept her abilities and use them for good.

Characters

Mile is the main protagonist of the series. She is a kind and compassionate girl, but she is also very shy and insecure. Mile's overpowered abilities make it difficult for her to live a normal life, but she is determined to find a way to control them and use them for good.

Pauline is a skilled archer and Mile's best friend. She is a kind and supportive girl, and she is always there for Mile. Pauline helps Mile to learn how to control her powers and to accept herself for who she is.

Rena is the daughter of a merchant and Mile's other close friend. She is a cheerful and outgoing girl, and she is always trying to get Mile to come out of her shell. Rena is also a skilled fighter, and she often helps Mile to train.

Themes

Didn't Say to Make My Abilities Average in the Next Life explores a number of themes, including the importance of self-acceptance, the power of friendship, and the challenges of living with disabilities.

Mile's journey is a story of self-acceptance. She must learn to accept her overpowered abilities and to find a way to use them for good. Along the way, she learns the importance of friendship and the power of perseverance.

Didn't Say to Make My Abilities Average in the Next Life is a heartwarming and inspiring story about a young girl who overcomes her challenges and learns to accept herself for who she is. It is a story that will resonate with readers of all ages.

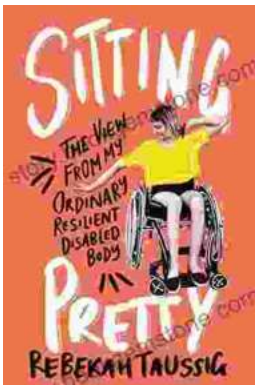

Didn't Say to Make My Abilities Average in the Next Life is a well-written and engaging light novel series that explores a number of important themes. The series features a cast of well-developed characters and a 劇情 that is both heartwarming and inspiring. I highly recommend Didn't Say to Make My Abilities Average in the Next Life to fans of light novels and fantasy.
