

Draw a Girl in 20 Summer Outfits: A Comprehensive Guide for Fashion Illustration

- Pencil
- Eraser
- Drawing paper
- Colored pencils or markers (optional)

Start by sketching the basic body shape of the girl. This can be done with simple lines and circles.

Next, sketch the head and hair. The head should be slightly tilted to the side. The hair can be any style you like, but keep it simple so that you can focus on the outfit.

Now it's time to draw the outfit. Start by sketching the basic shape of the top and bottom. Then, add details such as sleeves, ruffles, and buttons.
